

Homework – Flanimals

Term 1 – Y3/4

Flanimals

RICKY GERVAIS

Our homework this half term is linked to our Flanimals topic. Hopefully you will have had a look at our ideas page on the topic web.

You could:

Make a Flanimal out of recycled materials

Create a story/comic about a Flanimal

Design a powerpoint about your Flanimal

There are so many options!

We would like our **Flanimal homework in by 17th October** (Last week of half term).

We will have a Flanimals **topic share for parents is on:**

Friday 21st October at 3pm.

Many thanks,

Mrs Wilson and Mrs Murray.
