

TIME MACHINE

Reception Autumn Term 1

Reception parents and carers,

At the beginning of each topic you will receive a letter informing you of any important class information and information regarding the topic we are focusing our learning on throughout that term. We have a Reception page on the school website, where we will update you what we have been learning in our classrooms as well as news, events, and reminders. Please also check your child's book bags regularly as they will often contain letters and other useful information.

We have now started the Jolly Phonics scheme, this will run up until nearly Christmas. It will be revised and consolidated across the year and the Letters and Sounds scheme will be introduced. While we are undertaking the scheme we will be putting books (some of which will only contain pictures) and character flashcards in your child's book bag for them to share and practise with you at home.

Our topic this half term is... **TIME MACHINE**

Please see topic web overleaf for more information. If you have any questions please ask! We are encouraging the children to be as independent as possible this first term, with lots of turn taking and sharing fairly. We will also be talking about what makes a good friend. The loan of any books or resources that link with our topic would be wonderful. Please remember to label your belongings clearly.

'Talking Time' will also begin very soon, look out for more information and a rota for this in book bags 😊

Best wishes,

The Reception Team
