

ICT

This term we will be focusing on using the mouse and keyboard keys with accuracy, logging on and off and accessing different selected icons on the desktop and start menu.

Maths

This term we will initially focus on number and the number system. Patterns in number and place value. We will then build a bank of strategies to work out addition and subtraction calculations in a variety of different ways. We will also learn about the passing of time, focusing on seconds, minutes, hours, days of the week and months of the year.

English

One of our main focuses this term is how to write in different forms such as letters, notes, instructions and lists. We will also look at sentence structure and the different features of fiction and non-fiction books.

Science

This term we will be looking at materials and their properties. This will include exploring the features of different materials within everyday objects such as paper, wood and glass and sorting them using our results.

Time Machine, Year 1 Autumn Term 1

Art

During Year One we will learn many different art skills. This term we will be practicing our sketching skills using a variety of different media such as charcoal, wax and pens. We will also practice our designing skills and create portraits, landscapes and still life drawings.

Music

This term we will practice following, copying and creating different rhythms and beats using our bodies and percussion instruments.

PE

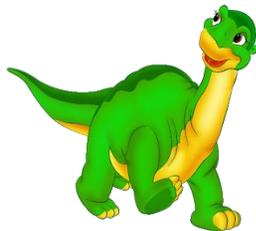

During this term we will learn about how our body changes as we exercise and explore a range of gymnastics moves and routines.

Geography

During this topic we will learn about our local environment and how it has changed over time.

DT

This term we will think about the correct tools to use for different materials and how to use them safely and correctly to cut and or join them together.

History

Our 'Time Machine' topic enables us to look into many different eras. Firstly we will focus on our own history and that of our families. We will then hop back in our time machine and travel back in time looking into clothes, food, life style, traditions and entertainment throughout different periods all the way back to the beginning of time.
