

Parents & Friends

**THIS IS HOW
MUCH MONEY
YOU HELPED
TO RAISE
LAST TERM**

**Hello, and thank you
for reading this
update.**

We are the volunteer Fundraising Team at WBPS (aka the PTA) and we want to keep you up to date on how, when and where we organise fundraising.

First and foremost, we are new team of people volunteering to raise much needed money for WBPS. We have some large boots to fill, given the significant and long-lasting achievements of our predecessors.

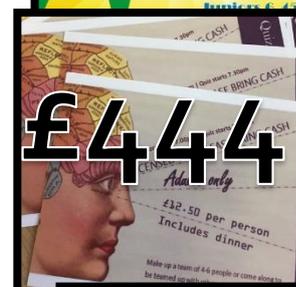

We would like to formally acknowledge the roles Zoey Vickers, Beverley Eaves, Amanda Skeldon and Nicola Freeman have played in running such a well organised and committed

Stepping into those boots, are Jamie Bell, Nikki Cooper, Vivienne Harris, Susan Garside & Anna Lomax.

We are lucky to have plenty of regular volunteers who bake, make toast, and help at school fairs and discos but we are always looking for people to join the team.

We meet several times a year (usually in the pub) and in conjunction with Mrs Walton and the teaching staff, plan how to best use the funds raised.

**All parents are
welcome at
these meetings.**

**OUR NEXT MEETING
IS ON MON 6TH NOV
AT THE COCK PUB AND KITCHEN**

Where does the money go?

“Wow!”

Mrs Walton

“The computers are really fast now!”

Joel, Y3W

Each year, the team set out plans as to how the money can best be used within the school. Last year, Mrs Thirsk organised the much-needed update for the Computer Area. This fantastic upgrade would not have been possible without the hard work of the staff and the PTA. Ask your child about the new facilities!

PTA funds have also been used to improve the Environmental Area, subsidise school trips, provide breakfast for children on SATS day, refreshments on Sports Day, books at Christmas time for KS1 children, the Y6 leavers' event and a whole lot more.

How should the funds be used in the future?

Please share your idea with the team. Why not come along to an informal meeting, send an email or follow us on Facebook?
