

## Whaley Bridge Primary School Sports Premium Funding 2 year plan (academic years 2017-18/2018-19)

Our next steps and plans for our school have not changed. We remain committed to providing as many children as possible with the opportunity to participate in sport and healthy activities, as well as in competitive events. By raising awareness of sports and the importance of leading a healthy lifestyle, we hope to increase the number of children accessing healthy activities throughout the school.

Area for development	Planned actions	Proposed outcomes	Estimated Costs £	Impact 2017-18
To ensure children are well-equipped to represent their school at a local event	Children attend inter-school events in a uniform kit, showing teamwork and sportsmanship.	Children taking part in inter-school events will be supplied with a uniform kit.	Storage for new Sports kits £80 Kit bag, picnic blankets, bibs for sports comps £65 New netball posts £189	
To enable Whaley Bridge Primary School to become a Forest School	To train a member of staff to become a qualified Forest School practitioner or invite a practitioner from a Forest School establishment.	Children have the opportunity to take part in Forest School activities, developing knowledge, skills and understanding. An increased proportion of our pupils can access this provision, especially those less interested in competitive sport and this will support their learning in the classroom environment.	2 week supply cover £1900 Course costs £800	

To continue to improve the teaching of PE throughout the school with effective training and CPD	Cluster affiliated sports coaches work alongside staff in school to deliver targeted training in areas identified as needing development.	Recent, quality CPD for all staff is provided.	UK Sports £5500	
To allow children to experience live sporting events first-hand and meet sporting professionals.	School staff to be informed of local sporting events which may be suitable for primary children to attend.	Pupils will be visited by a Paralympic athlete and will raise sponsorship money for an athlete-led circuit training session.	Transport/subsidising costs £1000	
To continue to provide children with training and skills to access competitive sports.	Cluster affiliated sports coaches to work alongside staff in school to provide training for pupils in a range of sports and to run a lunchtime club to prepare children for those events.	An increased percentage of children able to access competitive sports and performance will lead to automatic entry to County events.	Within UK Sports/Chapel SSP provision. Chapel High SP £1900 HPSP £1000	
To apply for the School Games Mark.	P.E. coordinator to collect and submit range of evidence online to show how we meet the criteria for the award.	The school will maintain the Bronze School Games mark and aim for the Silver mark.	P.E. Coordinator led.	
To increase the involvement of the children in the improvement of sport in school.	PE coordinator/class teachers to elect a PE committee who will meet with PE coordinator regularly.	The committee will write regular match updates for competitions on the website and suggest ways to improve sport in the school.	P.E. coordinator led.	

<p>To develop the swimming pool area to be accessible to <b>all</b> children in school.</p>	<p>P.E. coordinator to develop disabled changing facilities in the swimming pool building.</p>	<p>The swimming pool area will be made private using blinds on the windows and doors, a heating source will be available and a changing bed will be accessible.</p>	<p>Blinds for all windows/door £1000 Heating source £500 Changing bed with lifting mechanism £1500</p>
