Dear Parent/Guardian,

Thank you for sending your child for Bikeability training. As a parent/guardian you are asked to:

- *Return the completed form to the school before the first session.
- *Ensure your child has had plenty of practice on their bike before the course.
- *Ensure that your child's bike is in good working order and suitable for riding on the road i.e. working brakes (front and back) and pumped-up tyres.
Please note that children will not be allowed to take part if their bike is considered unsafe.
- *Provide your child with a cycle helmet – this is compulsory.
- *Indicate below if your child suffers from any medical conditions that we should be aware of.
