Dear Year 3 Parents,

Re: Bikeability

We have the exciting opportunity for all our year 3 pupils to complete level 1 Bikeability. This is a free course offered by the local Cycling Safety Instructors. They provide the invaluable chance for your child to learn how to ride safely.

This will be taking place on Friday 23rd March.

The sessions will be 2 hours long. Children will need to ensure their bikes and helmets at school before the start of the school day (8:50am), in order for the instructor to inspect them and ensure they are safe to ride and wear. Your child must be able to ride their bike without stabilisers.

If your child does not have a suitable bike and helmet, please let the office know by Friday 16th March. The Instructors may be able to provide equipment.

And if your child does not want to take part, please let the office know.

Could you please complete and return the attached form by Friday 16th March. Children will not be able to take part in the course if forms are not returned.

Yours Sincerely

Miss Carter
Year 3 Teacher
