**Headteacher**

Mrs F Walton B.Ed. (Hons)

2<sup>nd</sup> February 2018

## Parents/carers Mathematics Questionnaire

In response to the recent parent/carer questionnaire, many of you said that you would like some further information/support to help your child with their work in Mathematics.

We are currently using the White Rose Scheme of Work to teach Mathematics in school which enables us to teach the 3 core skills of the National Curriculum (fluency, reasoning and problem solving) and develop a mastery approach when teaching mathematics.

To help us tailor the support to meet your requirements, please answer the following questions and return the questionnaire to the school office by **Monday, 12<sup>th</sup> February 2018.**

**In what format would you like the support?**

Year group workshops		Presentation in the school hall		During a coffee morning		Lesson drop-in sessions		Information booklet	
----------------------	--	---------------------------------	--	-------------------------	--	-------------------------	--	---------------------	--

Other \_\_\_\_\_

**When would you like it?**

During the school morning after registration		During the school afternoon before pick-up time		Straight after school		Early evening	
--	--	---	--	-----------------------	--	---------------	--

Other \_\_\_\_\_

**What would you like it on?**

Calculations and number (+, -, x & ÷)		Reasoning and problem solving		Mastery		Games and activities to do at home	
---------------------------------------	--	-------------------------------	--	---------	--	------------------------------------	--

Other \_\_\_\_\_

I look forward to receiving your responses.

Regards

Mrs S Green  
Maths Leader
