Parent Questionnaires

Tuesday 17th October, 2017

Thank you for taking the time to fill out the questionnaire at the parents' evenings this week. This useful feedback means we can see if there are any areas that we need to develop. We would also like to be able to meet the parents needs and deliver tailored information sessions on the areas of education you feel you'd like to know more about. Below are the overall results.

We received 99 questionnaires, so each response is worth 1%

Statement	Agree	Disagree	Don't Know
My child likes school	98%	2%	
My child feels safe in school	97%	1%	2%
My child is making good progress	94%	1%	5%
I feel comfortable about approaching the school with questions or a problem or a complaint	97%	3%	
I know how to keep my child safe online	91%	1%	8%
There is sufficient information with regards to online safety on the school website	60%		30%

The top three subjects that you identified as an area you'd like us to tell you more about were:

- 1 Mathematics
- 2 On line safety
- 3 Spelling

You would prefer information sessions to be delivered at various times of the day. Some parents suggested a webinar and information to be put on line. The majority of you would like the sessions to run on at an evening event.

Thank you again for taking the time to complete the questionnaire. I will now work with the staff to organise sessions for mathematics, on line safety and spellings. Watch this space!

Thank you for your support,

Mrs Walton
