

## YEAR 4 TOPIC HOMEWORK

We would like to invite your child to complete the topic homework task from below and respond in a way that interests and motivates them to help support their learning and understanding of the Anglo Saxons. Homework must be handed in by: ☺ Monday 16th April ☺

*Design and create an Anglo Saxon themed game so that you can play it in Year 4 and teach your friends something about the Anglo-Saxons at the same time. It is important to make sure you test out your game at home so that you can instruct your friends/teachers clearly how to play it in school. It can be an outdoor or indoor game and we have counters and dice in school but do let us know if something else is required and we will do our best to locate it!*

*You could create a Settlements board game, Beowulf Top Trumps cards, a game of Anglo-Saxon clothing snap, a skipping rhyme/riddle with an Anglo Saxon link, Beetle Drive but build an Anglo Saxon house instead of a beetle or an Anglo-Saxon food themed game such as 'Tummy Ache'. Look at games you have at home or online to inspire you! As a writing opportunity, you could also write/type your game instructions.*

*We find that the back of cereal boxes and shoe boxes work well when card is needed for projects at home and plastic containers such as ice-cream tubs keep game parts together.*

☺ Have fun! We are really looking forward to your response! ☺

☺ Please ensure your name is on your homework clearly ☺
