

# TALKING TODDLERS

## EIGHT WEEK PROGRAMME AT

# HPND Children's Centre

This group is specifically designed for children aged 18mths —3 years who are experiencing speech and language difficulties. The group runs for eight weeks and focuses on techniques, strategies and advice under the Every Child a Talker (ECaT) initiative.

You can be referred onto the group by your Health Visitor or self-refer by talking to a member of staff. Limited places available.
