EXTERNAL SPEAKERS & CONTRIBUTORS GUIDANCE

Date agreed:	Signed:	Minute No:

All staff at Whaley Bridge Primary School are fully committed to, and trained in, the current safeguarding procedures and Prevent strategies. The school also has current safeguarding policies and protocols in place.

As such, having taken into account the 2017 External Contributors/Speakers Guidance*, the school deems the invitation of inappropriate external contributors into school as a very low risk.

Where a member of staff has any concerns, or receives notification of any concern from parents, guardians or indeed pupils, then further advice and guidance as to the suitability of the person(s)/organisation in question will be sought from the Designated Safeguarding Lead and/or the Head Teacher.

Oversight of external contributors to the school will be the responsibility of the Governing Board Safeguarding Committee.
