

Year 3

Autumn Term 1 - Dragonology

Welcome back Year 3.

I hope you have all had a fantastic summer holiday and are ready and raring to go for the year ahead. In my first couple of days getting to know you all, I can tell you are an enthusiastic and inquisitive class and I am really looking forward to working with you all during this year.

We have a busy and fun filled year ahead of us which starts this term with our topic called 'Dragonology.' I have some great stories which I am looking forward to sharing with you and using in our English lessons. In our Dragonology topic, we will make links throughout the curriculum. Details of which are shown in the curriculum web overleaf.

In previous years, I know that this class has benefited greatly from adults who have volunteered to listen to children read. If anyone has any spare time to listen to children read or to accompany the class swimming on a Thursday afternoon, I would be extremely thankful.

Please don't hesitate to contact me, either via the office or see me in the playground, if you have anything you would like to discuss with me.

I am looking forward to meeting you all and working with you to ensure your child has a happy and productive year.

Kind regards,

Miss Cooling
